This restriction was ordered to meet the requirements of the case then. The present proposal is for the extension of jurisdiction of the Munsiff-Magistrate to Kolar Gold Fields within the whole of Bowringpet Taluk.

Submitted with a draft notification for approval.

hence probably by this time been sufficiently provided for by recent increases of powers on Municipalities & Dist Commrs.

3 The complaint that the Civil work of the Kolar Distt is heavy — apparently meaning heavy & growing — deserves investigation. It appears strange in view of the docile and peaceful character of the people generally & of the Kolar Distt in particular. Perhaps there is something wrong in the procedure of the Magistrates themselves. The Distt Magte should be requested to submit a full report on the point.

Submitted to His Highness.

21 The Munsiff Magistrate of the Kolar Gold Fields at present exercises criminal jurisdiction over the area comprised in the Kolar Gold Fields Sanitary Board.The Chief Court on the recommendation of the District Magistrate of Kolar, recommend that his territorial jurisdiction may be extended to the whole of the Bowringpett Taluk, as the criminal work of the District is heavy and there are not a sufficient number of 1st and 2nd class Magistrates.

22 The 1st Councillor considers the proposed change inexpedient, in view of the possible changes in the Judicial establishments of the Kolar Gold Fields, and is of opinion that the proposal may be renewed six months hence.

23 Orders have already been passed on the proposals of the Retrenchment Committee as regards retrenchments in the Judicial Department. They do not involve any changes in the Judicial establishments in the Kolar Gold Fields.I think therefore that no practical inconvenience would result by the recommendation of the

Chief Court being sanctioned immediately.
